### **FACTS COMMON TO ALL CLAIMS**

#### **A. Plaintiff's Copyright Ownership**

10. Michael Brandon Clements (“Clements”) is a professional videographer by trade who is the legal and rightful owner of certain videos which Plaintiff commercially licenses.

11. Clements has invested significant time and money in building his video portfolio.

12. Clements has obtained active and valid copyright registrations from the United States Copyright Office (the “USCO”) which cover many of his videos while many others are the subject of pending copyright applications.

13. Clement’s videos are original, creative works in which he owns protectable copyright interests.

14. On August 22, 2022, Clements authored the Video. A copy of a screengrab from the Video for reference is attached hereto as Exhibit 1.

15. In creating the Video, Clements personally selected the subject matter, timing, lighting, angle, perspective, depth, lens and camera equipment used to capture the image. Clements also selected the subject matter and all of the cinematic elements in the Video.

16. On September 1, 2022, the Video was registered by USCO under Registration No. PA 2-374-324.

17. Clements created the Video with the intention of it being used commercially and for the purpose of news reporting and documentation of a weather-related event in the Dallas area.

18. Clements assigned the copyright to the Video to Plaintiff by a written assignment agreement.

**B. Defendant's Infringing Activity**

19. The FB Account is a part of and used to advance Defendant's commercial enterprise.

20. Defendant has exclusive access to post content to its FB Account.

21. The FB Account is monetized in that it promotes Defendant's talk show and media business and, upon information and belief, Defendant profits from these activities.

22. On or about August 23, 2022, Defendant displayed the Video on the FB Account as part of an on-line post at URL <https://www.facebook.com/watch/?v=429869679171943>. 26. The Infringement includes a URL ("Uniform Resource Locator") for a fixed tangible medium of expression that was sufficiently permanent or stable to permit it to be communicated for a period of more than transitory duration and therefore constitutes a specific infringement. *17 U.S.C. §106(5)*.

27. The Infringement is an exact copy of Plaintiff's original image that was directly copied and displayed by Defendant on the FB Account.

28. Upon information and belief, Defendant takes an active and pervasive role in the

content posted on its FB Account, including, but not limited to copying, posting, selecting, commenting on and/or displaying images including but not limited to Plaintiff's Video.

29. Upon information and belief, the Video was willfully and volitionally posted to the FB Account by Defendant.

30. Upon information and belief, Defendant was aware of facts or circumstances from which the determination regarding the Infringement was apparent. Defendant cannot claim that it was not aware of the infringing activities, including the specific Infringement which form the basis of this complaint, since such a claim would amount to only willful blindness to the Infringement on the part of Defendant.

31. Upon information and belief, Defendant engaged in the Infringement knowingly and in violation of applicable United States copyright laws.

32. Upon information and belief, Defendant has the legal right and ability to control and limit the infringing activities on its FB Account and exercised and/or had the right and ability to exercise such right.

33. Upon information and belief, Defendant monitors the content on its FB Account.

34. Upon information and belief, Defendant has received a financial benefit directly attributable to the Infringement.

35. Upon information and belief, the Infringement increased traffic to the FB Account and, in turn, caused Defendant to realize an increase in its advertising revenues and/or merchandise sales.

36. Upon information and belief, a large number of people have viewed the unlawful copies of the Video on the FB Account.

37. Upon information and belief, Defendant at all times had the ability to stop the reproduction and display of Plaintiff's copyrighted material.

38. Plaintiff created the Video with the intention of it being used commercially and for the purpose of display and/or public distribution.

39. Defendant's use of the Video harmed the actual market for the Video.

40. Defendant's use of the Video, if widespread, would harm Plaintiff's potential market for the Video.

45. Plaintiff has not granted Defendant a license or the right to use the Video in any manner, nor has Plaintiff assigned any of its exclusive rights in the copyright to Defendant.

46. Without permission or authorization from Plaintiff and in willful violation of Plaintiff's rights under 17 U.S.C. §106, Defendant improperly and illegally copied, reproduced, distributed, adapted, and/or publicly displayed works copyrighted by Plaintiff thereby violating one of Plaintiff's exclusive rights in its copyrights.

47. Defendant's reproduction of the Video and display of the Video constitutes willful copyright infringement.

48. Upon information and belief, Defendant willfully infringed upon Plaintiff's copyrighted Video in violation of Title 17 of the U.S. Code, in that Defendant used, published, communicated, posted, publicized, and otherwise held out to the public for commercial benefit, Plaintiff's original and unique Video without Plaintiff's consent or authority, by using it on the FB Account.
